HISTORY OF THE CLASS OF "33"

September 7, 1929, found one hundred and seven Sophomores strong, entering the high school auditorium as Freshmen. After giving a few frightened glances about the room, they became bold, and walking down the aisle, bravely (?) took the seats in the front section. Here they sat, wondering about their teachers and whether they would ever be able to climb the grade.

The next morning some of the boys seemed rather worn out, and the gloomy expression on their faces told one that all was not so well. To every person asking for the reason, the same wild tale was given of long, fearful walks, which had been arranged by other high school boys.

Of course, they wandered aimlessly through the halls for a few weeks, as all Freshmen do, running into teachers, getting into the wrong classes, forgetting their books and pencils, and meeting at every corner the hated term "Freshie".

Some time later a class meeting was held to elect officers for the ensuing year. Bruce Trent was chosen president, Harold Nicodemus, vice president, Hilda Forrer, treasurer, and Helen Allen, secretary. At this same meeting, they decided to have a wiener roast at Leatherman's Grove, but as it rained the day set for this event, it was held in the gym.

When football season opened, three Freshman boys, Bruce Trent, Chisel Abrams and Charlie Krejcier were given a chance to show what they were made of by earning a place on the squad.

Then came the baseball season, and again Charlie Krejcier won honors by becoming a member of the team. He showed that the "Freshies" were good, even if they were green. The class was also well represented in the Glee Club and in the newly formed Prep Club.

School finally came to a close, and the Freshmen, having endured a year of scornful taunts and upbraidings by the older students, were glad to give up their places to a new and eager group, while they went a step higher to continue their work under the more dignified name of "Sophomores".

When again the school bell rang, after the elapse of three months' vacation, the new "Sophs" filed down the aisle of the auditorium to their respective places, holding their heads a little higher than they did the year before, because now they could be looked upon as something more than the "infants" of the school. At this same time, the class was increased from one hundred seven to one hundred thirty-two, when about thirty boys and girls from the Centralized School joined their ranks.

As usual, the class held a meeting a few days after school started and elected their class officers. Linford Irwin was chosen president, Carl Heller,

vice president, and Boyd Abrams, secretary and treasurer. Plans were also made for holding a wiener roast at Rohrer's Grove, and everyone who attended the roast, had something to talk of for days.

Again the class was well represented in athletics, Bruce Trent, Chisel Abrams, Earl McIlvaine, and Dick Bolich receiving the "coveted W" in football.

When basketball season opened, Bruce Trent made the team, with Chisel Abrams as a first sub, and Linford Irwin, Carl Heller, and Charlie Krejcier on the second team.

"THE GLEE CLUBS"

Wadsworth High School has again been represented during this year by a Girls' Glee Club and a Boys' Glee Club, under the skillful management of Miss Sponsellor. The organizations have had a very successful season and excellent work has been done this past year.

The Girls' Glee Club was organized with an enrollment of thirty-three members and the officers were as follows: Helen Gross, president; Helen Allen, secretary and treasurer; Gloria Lester, librarian; Maxine Baldwin, vice president.

The Clubs won for themselves noteworthy praise by the rendition of the operetta "The Tea House of Sing Lo". The scenes of this operetta take place in the "Tea House of Sing Lo" immediately after the arrival of J. Mortimer Maxwell, proprietor of "Sho-Glo" Electric Signs, who has come to capture the China market, accompanied by his wife, daughter, June, and his salesman, Bert McKee, who aspires to win June's hand. Maxwell agrees to the marriage provided Bert McKee sells Sing Lo, the owner of "The Tea House" an electric sign. Sing Lo, who detests modern advertising methods, has given orders to have all salesmen thrown out. On account of business being dull at "The Tea House of Sing Lo", June suggests to Sing Lo's daughters the idea of increasing business by interesting fashionable patrons, and recommends a reception in honor of the new American Consul, Hon. Alexander Appletree. Bert is mistaken for the consul and is entertained at the Tea House, while Appletree, arriving later, is thrown out by the porter. Bert insists upon electric signs and Sing Lo, fearing to lose favor of the supposed Consul, signs the proffered contract. Bert wins his bride, the real Consul is placated because of Sing Lo's progressive business policy, and the prosperity of the Tea House is assured.

The members of the cast and the parts they played are as follows: Betty Jones, Ah Mee, and Doris Gunsaulis, So Hi, daughters of Sing Lo; No-Fan, Dan Gaston, a Chinese man of-all-work; Dudley Trent, Sing Lo, owner of the Tea House; J. Mortimer Maxwell, Ralph Eckard, a business man from the States; and Mrs. Maxwell, his wife, is played by Betty Gates; Gloria Lester, June, their daughter; Jack Kunkler, Bert McKee, a young American salesman; and Floyd Bauer takes the part of Hon. Alexander Appletree, the new American Consul.

FOOTBALL

When the first call for football candidates was issued by our new coach, Art Wright, about eighty aspiring boys reported. These soon were thinned down to forty who practiced nightly throughout the season. Of the eighty candidates, ten were lettermen from last year. They were as follows: Nicodemus, Peters, O'Blenis, Rivers, Trent, Crisafulli, Williams, Frank and Howard Randall, and Kane. The team was handicapped throughout the season by numerous injuries. Williams suffered a broken leg in the first game with Kenmore, while Kane had a bad shoulder injury bother him the entire season. No game was played without at least two or three regulars on the sideline, suffering from injuries. Although we only won two games during the season, the boys fought hard and we wish them better luck next year.

Scores

W. H. S. vs. KENMORE

0	18

In the first game of the season, which inaugurated the new High School Athletic Field, a strong Kenmore team defeated the Red and White in a well played football game. Kenmore converted two blocked punts and an attempted pass was intercepted on the return of a kickoff for their three touchdowns, which all came in the final period. Castor and Cargill were outstanding for Kenmore, while Rivers, in the backfield, and Peters and F. Randall, in the line, stood out for Wadsworth.

W. H. S. vs. ALUMNI

0	25

The Alumni displayed too much football for the Varsity to cope with when they easily outplayed the Red and White. Passing won the game for the Alumni with Houston gaining the necessary yardage through the line.

W. H. S. vs. CUYAHOGA FALLS

13	26

In a game which sparkled with action and many long runs, a fine Cuyahoga Falls team downed a fighting Wadsworth eleven. · Kane's end runs in the final half put the ball in position for Trent to back over the two touchdowns and an extra point. Falls displayed a shifty backfield with Mushrush and French gaining most of the yardage. Wadsworth's line could not stop the line plunging of Mushrush's and French's end runs.

W. H. S. vs. WELLINGTON

7 20

In the first league game of the season Wadsworth bowed to a fast Wellington eleven. The invaders, using a double wing-back formation, scored early in the first period, never to be passed. Branson's work at quarter easily made him the outstanding player on the field. In the third period Trent broke loose on an off-tackle slash and ran 60 yards for the only Wadsworth score.

W. H. S. vs. VERMILION

27 0

Wadsworth traveled to Vermilion and came back with their first victory of the season. The game saw the Red and White playing inspired football. The team ran smoothly and time after time the Vermilion team was baffled by the Wadsworth offensive. From the time Abrams, quarterback, sneaked for the first touchdown, Wadsworth was unstopable. The line blocked hard and threw the opposition for many losses. Trent and Kane were the principal ground gainers.

W. H. S. vs. RIDGEVILLE

71 0

Eleven touchdowns and five goals after touchdowns rolled up a greater score than any other Wadsworth eleven has approached in the history of the school. The game saw frequent substitutions on the part of the winning team and at the time of the final whistle the entire third team was in action for the Red and White. Trent scored five touchdowns, while Kane ran a close second with three. This game more than revenged the previous setbacks the locals had received from Ridgeville.

W. H. S. vs. AMHERST

0 6

Wadsworth, greatly favored to defeat Amherst and probably too overconfident, suffered a setback from a weak Amherst eleven. Although outplaying and outgaining they did not outfight the opponents and thus they suffered defeat. Wadsworth threatened several times but upon approaching the goal line they were not capable of carrying the ball over. The work of Nicodemus at tackle was outstanding as was the defensive play of Crisafulli at center.

Scores

W. H. S. vs. BARBERTON

0 38

Playing ragged ball with the plays not functioning nor being carried out as instructed the locals were run over roughly by the people of Barberton. An array of Barberton backs carried the ball for gains at will and at no time did Wadsworth threaten to score. Defensive work of Seryak and Weigand sparkled for Barberton while no man was outstanding for Wadsworth.

W. H. S. vs. MEDINA

13 33

Medina, using a finely polished passing attack, climaxed the Wadsworth season, defeating the locals by quite a severe score. Four of the Medina touchdowns resulted from long passes, which Wadsworth could not solve. The Red and White, after starting out poorly, put across two rapid fire touchdowns in the final minute of play. Every man tried hard for the locals and at the final whistle eight men showed splendid action. They were as follows: Kane, Rivers, H. Randall, Peters, Nicodemus, Turner, and F. Randall.

First Row, left to right: Helen Krejcier, Mary Grace Hanna, Eileen Doyle, Hilda Forrer, Angelina Razel, Thelma McAllister, Loualtha Fritz, Grace Harter.

Second Row: Miss Hodell, Faculty Advisor; Magdalene Lample, Helen Phillips, Betty Jones, Bernice Sense, Sara Allen, Mary Mitchell, Florence Scott, Laura Parker.

Third Row: Mildred Chenevey, Lois Messner, Virginia Roth, Evelyn Repp, Juanita Foster, Althea Jacobs, Violet Braman, Virginia Miller, Jane Gaston, Ethel Burton.

Fourth Row: Wilma Houder, Sarah Houseworth, Margaret Dutt, Dorothy Beyers, Mary Mezey, Dorothy Akin, Gail Noggle, Lois Yoder, Orpha Wolf.

Fifth Row: Monaine Neal, Eileen McDermott, Doris Vance, Eleanore LaViers, Lily Laparo, Lorna Wilson, Leda Preznick.

Sixth Row—Eileen McClure, Edna Wilson, Marjorie Gross, Betty Libert, Helen Allen, Doris Gunsaulis, and Beulah Fritz.

To belong to this Association one must obtain 100 points. This is done by hiking, roller skating, bicycling, and being on a team. When one obtains 750 points she is entitled to a pin. At 1,000 points a "W". The Juniors won the Championship for basketball, for soccer ball it was tied between the Freshmen and Juniors.

In February the G. A. A. had a winter sports day at which all participated in all the sports the Association had had during the winter. They are planning to have a spring sports day soon.

BASKETBALL

Prospects for a successful season were rather gloomy, when the call for basketball candidates was issued by Coach Wright. Only two lettermen, Kahl and Frank Randall, were left over from last year's squad. Of the one hundred candidates who reported, a squad of sixteen men which later was cut to thirteen, was picked. A first team which was composed of Kahl and Alderfer, forwards; Randall, center; and Trent and Garshman, guards. This team, assisted by Turner, Lee and Abrams swept through a schedule of twenty-one games, winning seventeen and losing four, probably one of the best seasons ever enjoyed by a Wadsworth combine in many years.

In tournament play at Akron we had the misfortune of drawing Akron West in our first game and were defeated 41-20. West later swept through to the semi-finals at Columbus, where they were finally eliminated.

Letters were awarded to Randall, Kahl, Alderfer, Garshman, Trent, Turner, Lee, and Abrams, and Manager Jacobs.

Scores

W. H. S. vs. APPLECREEK

27 8

In our opener we easily defeated our opponents. Our green team, lacking in size and a smooth offense, made up for it with speed and a snappy defense. Alderfer was high for Wadsworth with six points. The entire squad saw action for the locals.

W. H. S. vs. BROOKSIDE

18 13

This also proved to be an easy game for Wadsworth. The Red and White played a fast offense and scrappy defense.

W. H. S. vs. WOOSTER

22 23

We lost our first game away from home to Wooster, our old rivals. Wadsworth was very much off, missing numerous easy shots. Kahl, Randall and Trent were best for Wadsworth with six, seven and five points, respectively.

Scores

GARFIELD vs. W. H. S.

18 24

Gaining an early lead which they never relinquished the locals played a fine floor game to defeat a strong Akron Garfield quintet. Every man shared honors in the scoring department of the fray. Kahl was high with seven points.

NEW LONDON vs. W. H. S.

16 33

Wadsworth's fast stepping aggregation made easy work of New London, hanging up their second Northern Ohio conference win. Alderfer went on a scoring rampage, tallying seventeen points.

KENT STATE vs. W. H. S.

18 25

We copped our eleventh win of the season from Kent State on the local floor. The feature of the game was Lee's scoring and Randall's defensive work.

AMHERST vs. W. H. S.

25 30

In one of the best played games on the local court this season Wadsworth turned back a strong Amherst quintet. Kahl starred for Wadsworth while Guild was best for Amherst.

RIDGEVILLE vs. W. H. S.

22 37

Another easy victory for the local five. Kahl, with 20 points, could not be stopped by Ridgeville and thus he compiled the greatest amount of points scored in one game by an individual this year.

WOOSTER vs. W. H. S.

24 34

We revenged our first defeat by completely outclassing the Generals on the local court. Every man took part in the scoring for the Red and White quintet.

Scores

VERMILION vs. W. H. S.
21 30

Although we were off color, we managed to defeat Vermilion by a fairly good margin. Kahl led the attack with twelve points.

FALLS vs. W. H. S.
22 28

A brilliant game which was climaxed by a fourth period rally by the Wadsworth five easily proved to be the best game played on the local court this season. Kahl and Randall starred on offense while Trent and Garshman led the defensive work.

ELLET vs. W. H. S.
17 26

Unable to pierce a strong Wadsworth defense Ellet dropped a fast game to the local basketeers. The invaders, although being very fast, could only possess the ball in the center of the floor without losing it. Kahl again led the Wadsworth scorers.

KENMORE vs. W. H. S.
20 16

We dropped our second game of the season to a fast Kenmore team in our sixth game of the year. Ladd was high for Kenmore while Alderfer and Garshman were best for Wadsworth.

MEDINA vs. W. H. S.
13 34

A green Medina quintet was no match for the strong local five and were easily set back in quite a walkaway. Alderfer starred for the Red and White.

BARBERTON vs. W. H. S.
15 21

In a bitterly contested battle the locals turned back the Magics on their floor. Our lead was never threatened although there was never much difference in the margin of points. Kahl proved to be the outstanding player in the game. Randall's defense work also sparkled.

Scores

RAVENNA vs. W. H. S.

18 25

This was probably the slowest game of the year, due to Ravenna's slow offense. We had to take advantage of holding the ball and making every chance good as we very seldom controlled the ball. Kahl and Randall starred.

ELLET vs. W. H. S.

18 21

Hindered by the size of the court the local quintet could not get started and finally eked out a close victory at the expense of Akron Ellet. Randall starred both on defense and offense.

KENT STATE vs. W. H. S.

20 32

We easily defeated Kent State at Wills Gym, on the spacious college floor. Kahl led the Red and White with thirteen tallies.

WELLINGTON vs. W. H. S.

28 27

This game lost us the undisputed league championship, broke our thirteen game winning streak, and probably was about due to occur. We fought hard but the breaks were against us.

ALLIANCE vs. W. H. S.

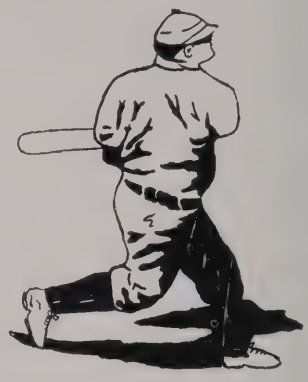
33 17

This game found us in the worst form of the year and we proved easy for Alliance. Even though we led 8-7 at the end of the first quarter we never led after that.

MEDINA vs. W. H. S.

20 33

In our final scheduled game of the season we again copped an easy decision. Trent played an outstanding game at guard. He scored fifteen points.



BASEBALL

The turnout for Baseball this year was rather large and prospects for a pretty fair season are in sight. Six lettermen are left over from last year. They are: C. Kahl, Garshman, Krejcier, Bell, Alderfer, and E. Kahl. Those who have graduated and whose places will be hard to fill are: Joe Williams, Don Houston, and Red Hutchinson.

The recruit men who are looming up brightest now are Barnett, Siffert, Heath, Keller, Deitz, S. Garshman, Buescher, Lind, Gillespie, Ream, Kraska, and Leatherman.

OBERLIN SCHOOL OF COMMERCE

The Oberlin School of Commerce is in the midst of another prosperous year. It differs from other business schools of Ohio in that it admits only high school graduates and only at the beginning of terms. This makes it possible to do a high grade of work and accounts for its great reputation in sending out graduates trained for the better positions, many of whom are drawing salaries of $5,000 to $10,000 a year, while several are millionaires.

It offers a two year Business Administration Course, a two year Executive Secretarial Course, Stenographic and other shorter courses. It is one of the seven business schools of Ohio, Accredited by the State Department of Public Instruction. The courses and instruction offered are of college grade.

Any seniors interested in advanced courses of business training would have unusual opportunities at Oberlin, where they would study with others of their own age and education and would not be held back with those who have had little or no high school training. Graduates of this school frequently work their way through college with their business and secretarial training.
